***Alaska Office***

**PRESS RELEASE**

February 15, 2008  
Palmer Alaska

It is disappointing that Arlen Ehm chose to take his resignation public as he did the other day with an Anchorage newspaper. Mr. Ehm was asked to resign in our letter to him dated January 24 and it is always sad when a parting of the ways happens like this. As to be expected, there are more issues at play here than just back pay.

Fowler Oil & Gas always strives to treat its employees and contractors fairly and especially upon termination of a relationship. The Fowler Family has maintained an impeccable reputation in Alaska over the last 50 years, and will continue to do so in the future.

Our situation with Mr. Ehm will be resolved in private and directly with him.

Bob Fowler  
CEO
